Don't miss Cleanfarms' annual end of year meeting.

Join us by webinar on December 8 to explore the latest trends in container recycling.

CleanFARMS commissioned a multi-phase market research project to assess the habits and attitudes of Western Canadian farmers towards container recycling. This research has helped develop strategies and tactics to increase collection rates and grower engagement.

This webinar will explore this research and recommendations.

When: December 8, 2017: 12pm – 1:30pm EST.

Registration is not required. Please click on the link below to join us.

Where: By webinar
